NOTICE REGARDING TOWN MEETING RACES

A list of Town Meeting Candidates will be updated daily on the Elections page starting in January. It shows the candidates who are not incumbents who have taken out nomination papers and the current Town Meeting Members who have filed their formal request to appear on the ballot as a candidate for re-election. Current Town Meeting Members who must be elected in 2023 need to file their intention to appear on the ballot as an incumbent by **Friday, February 3 at noon**. All candidates for any office must request nomination papers by **Wednesday, February 8 at 5 pm**.

Every precinct will elect 4 Town Meeting Members for three-year terms. Two precincts must also fill a vacancy and will elect 5 people. Vacancies are filled by vote order (see note at the end). Sometimes people resign at the end of their term because they move out of the precinct. The third column indicates the possible number of 2022 members who could run again in each precinct.

Filling seats by vote order

When precinct boundaries change, state law for many years has specified that the winners will be seated in the order of their vote totals: top four seated for three years, next four for two years and the final four seated for one year. This concept was the model for our system of conducting town meeting elections.

Every year, 4 seats in each precinct are up for election for three-year terms. The Town Clerk will identify vacancies to be filled and therefore the number of seats on the ballot for each precinct. All candidates from a precinct will be on the ballot and vacancies (if any) will be filled in the order of vote totals.

The Nomination Process

Current Town Meeting Members with seats up for election in 2023 will be mailed a form that allows them to confirm they wish to run. If they were elected, they do not need to collect signatures. New candidates in these precincts will need nomination papers once they are available.

Town Meeting Members who are eligible to run this year by returning the confirmation form should return them to the Town Clerk before **Friday, February 3 at noon.**

Residents who would like to run for Town Meeting may come to the Town Clerk's Office to request nomination papers before the first deadline and then return them by the final deadline. If a candidate would like to designate someone else to pick up the forms on their behalf, they need to contact the Town Clerk in advance.

Deadline to request papers: **Wednesday, February 8 at 5 pm**

Deadline to return papers: **Friday, February 10 at 5 pm**

Candidate Statements

This year all candidates will receive a form with information on how to submit a brief statement. Statements submitted by the March 7 deadline will be included in a document published on the Elections page. Candidates running a write-in campaign may submit statements by contacting the Town Clerk's Office.

The Town of Arlington does not review the statements for accuracy and does not endorse candidates for any office.
